

Terms and conditions of use for the Internet Portal for shareholders of BioNTech SE

I. Scope of application

These terms of use apply for all shareholders of BioNTech SE using the BioNTech SE Internet Portal at <https://investors.biontech.de/agm-service>. This includes the registration for the General Meeting of BioNTech SE as well as exercising the right to vote via the Internet Portal.

II. Registering for the General Meeting and exercising voting rights

1. Online registration for the General Meeting

Registration for the General Meeting via the Internet Portal is possible up to the end of the registration period. Until this time, via the Internet Portal you can vote via the online absentee voting system or authorise the persons appointed by BioNTech SE.

If you have received several invitations with different shareholder numbers, please register online for the General Meeting separately for each of these shareholder numbers.

We recommend that you make early use of the Internet Portal to register for the General Meeting so that in the event of any technical problems you can still register by post or e-mail in good time before the end of the registration period.

2. Voting via the online absentee voting system

In the Internet Portal you can cast your votes via the absentee voting system (online absentee vote).

If you have cast your votes via the online absentee voting system in time by the end of the registration period, you can still change the cast absentee votes until the start of the voting at the General Meeting via the Internet Portal. This also applies if you have cast absentee votes in good time outside the Internet Portal.

If you have cast absentee votes via the Internet Portal and also in a different manner, your last cast vote takes priority.

3. Authorisation of the persons appointed by BioNTech SE to vote on your behalf

You can authorise the persons appointed by BioNTech SE to vote on your behalf in the Internet Portal.

The persons appointed to vote on your behalf are neutral and exercise the right to vote solely on the basis of the instructions given by you. If an individual vote takes place on an agenda item (e.g. discharge of the members of the supervisory board) an instruction granted for each individual sub-point applies.

If you authorise the persons appointed to vote on your behalf in good time before the end of the registration period, you can still amend the instructions given to the persons appointed to vote on your behalf until the start of the voting at the General Meeting via the Internet Portal. Please note that the persons appointed to vote on your behalf do not accept instructions to submit questions or applications and to raise objections to resolutions of the General Meeting.

The persons appointed to vote on your behalf represent you anonymously, i.e. without giving your name.

If you have authorised and instructed a person appointed to vote on your behalf both via the Internet Portal and in any other way, your most recently given instructions take priority.

4. Change of authorised representative and withdrawal of authorisation

Simply withdrawing an authorisation (i.e. without granting a new authorisation) is only possible at the address set out in the Invitation to the General Meeting. The Internet Portal is not available for this.

III. Associations of persons / legal entities

Please note that in the case of associations of persons (e.g. married couples, communities of heirs), partnerships or legal entities entered in the share register, the person carrying out registering or amending the registration details, casting absentee votes, authorising the persons appointed to vote on their behalf or intermediaries, shareholders' associations or proxy advisors participating in the Internet Portal as well as giving or amending instructions, must be authorised to do so by all members of the association of persons, respectively the partnership / legal entity, or have the necessary legal power to represent the association of persons / legal entity. As a user of the Internet Portal, you confirm to BioNTech SE that you are authorised in the required manner.

IV. Duty of care of the user

Please do not make your shareholder number and your access password available to unauthorised persons so that no third party can utilise your access.

If misuse is suspected you should have your access blocked by calling the BIONTECH-Hotline which is available to you from 09:00 to 17:00 from Monday to Friday on the telephone numbers +49 (0) 6131 9084-7008 and +49 (0) 6131 9084-7632
